About Me

I'm Software Engineering Student at IJSE. As a student, love to discover new technologies in this programming world, also I'm seeking to leverage my technical and educational skills to grow in a role of Software Engineering. My ultimate professional aim is to advance in the Software Engineering field by gaining all required skills and certificates.

Personal Details

Name

H.A. Ishara Maduranga

Birthday

1997 - 02 - 06

Gender

Male

Age

26 Years
